Dear Mr. Evans:

Re: Permit Review Status, Deer Trail Mine Mine, S/031/003, Piute County, Utah

On August 26, 1994, the Division received Unico's plan for the Deer Trail mine in Piute County. Due to administrative difficulties in coordinating the review with the U.S. Forest Service, the Division will not be able to complete a review of this plan within the usual 30-day timeframe. Please accept our apology for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30-45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

Lynn Kunzler
Reclamation Specialist
